

Hi,
It's me, **Blot!**

Wait, are you actually going to do these activity sheets?

Oh my goodness . . . I really **DO** want you to do these activity sheets!

Did you notice that in **PLEASE DON'T READ THIS BOOK!**,
I have so many expressions and feelings?

Now YOU can make your own Blot and change how I look and what I feel.

YOU'LL NEED:

- Crayons or colored pencils
- Glue or a glue stick
- Scissors

STEP 1: Color me in. Use blues and greens or pick your own colors.

STEP 2: Cut out bodies, eyes, eyebrows, smiles, frowns, arms, and legs.

STEP 3: Glue your choices on me to make your very own **Blot!**

STEP 4: There are SOOOO many choices for what you can do now! You can name the feelings you created! Hang up your work! Turn me into your own book and write your own story! Cut me out and put me on Popsicle sticks and act out what to do and not do! But no matter what . . .

PLEASE DO HAVE SOME FUN!
